SUMMARY

Hello! I'm Forhad Hossen, a passionate front-end developer With a blend of creativity and technical expertise, I specialize in crafting intuitive user interfaces that not only look great but also deliver exceptional user experiences. My journey in web development began when I decided to take the course from Creative It. Since then, I've been on a continuous learning journey, staying updated with the latest technologies and trends in the ever-evolving world of frontend development.

WORK EXPERIENCE

Project-My Portfolio

I have also developed a personal portfolio showcasing my web development projects, It serves as a testament to my skills and provides real-world examples of my work, including responsive web designs.

E-commerce-Oreby/Hector

I am working on an E-commerce product called Orebi/Hector. My role is to develop Components, Routes, Hooks, Redux, form Retching API data presenting data on the website while maintaining the exact
