About me

Hello! I'm Forhad Hossen, a passionate Frontend developer With a blend of creativity and technical expertise, I specialize in crafting intuitive user interfaces that not only look great but also deliver exceptional user experiences. My journey in web development began Then I decided to take the course from Creative It. Since then, I've been on a continuous learning journey, staying updated with the latest technologies and trends in the ever-evolving world of frontend development.

Carear object

As a recent graduate specializing in frontend development with a focus on React, I am eager to kickstart my career by joining a dynamic team where I can apply my knowledge and skills to create engaging and intuitive user interfaces. My objective is to actively contribute to the development of cutting-edge web applications, leveraging my understanding of React's component-based architecture and proficiency in HTML, CSS, and JavaScript. I am committed to ongoing learning and growth, seeking opportunities to collaborate, learn from experienced developers, and stay abreast of industry best practices to excel in my role as a frontend developer.

Experience

Html/CSS/Bootstrap/Tailwind CSS/JavaScript: Proficient in building responsive and cross-browser compatible websites using modern frontend frameworks like React, Nude.js, or Angular.
